### **Pastabos**

I call you when I need you, my heart's on fire You come to me, come to me wild and wired Oh, you come to me, give me everything I need

Give me a life time of promises and a world of dreams Speak the language of love like you know what it means Mm, and it can't be wrong, take my heart and make it strong, babe You're simply the best, better than all the rest Better than anyone, anyone I ever met I'm stuck on your heart, I hang on every word you say Tear us apart, baby, I would rather be dead

In your heart I see the start of every night and every day In your eyes I get lost, I get washed away Just as long here in your arms I could be in no better place You're simply the best, better than all the rest Better than anyone, anyone I ever met I'm stuck on your heart, I hang on every word you say Tear us apart, baby, I would rather be dead

Each time you leave me I start losing control You're walking away with my heart and my soul I can feel you even when I'm alone Oh, baby, don't let go You're the best, better than all the rest Better than anyone, anyone I ever met I'm stuck on your heart I hang on every word you say Tear us apart Baby I would rather be dead Oh you're the best
